

International Activity

Through Leeds Legal, Leeds lawyers are leading the way in forging international business links for the city. In conjunction with the campaign's main sponsor, UK Trade & Investment (UKTI) - the British government's international trading organisation - Leeds Legal has undertaken an ambitious international programme, including facilitating delegation visits to and from, Europe, Asia and the Americas.

In order to give Leeds lawyers the opportunity to increase their business contacts overseas, and to attract new business to the city, Leeds Legal carries out regular international delegation visits to all corners of the business globe.

Many of the delegation visits arranged by Leeds Legal have resulted in reciprocal inward visits from overseas business cities to Leeds, allowing them to experience the city, and its legal services for themselves.

With assistance from campaign supporters Jet2.com and Hilton Leeds City hotel, over 60 overseas delegates have been welcomed to Leeds.

How Leeds Legal can help your business?

If you are an overseas business currently operating or trading with the UK, or would be interested in trading in the UK, Leeds Legal can help you – by putting you in touch with business networks and legal professionals, with specialist knowledge in your field of business.

Leeds Legal regularly facilitates international delegation visits both to and from Leeds, with a growing number of other global cities.

News from recent delegation visits can be found by clicking on the pictures in the right hand column.

International delegation programme

Working alongside national and regional Chambers of Commerce, law societies, British embassies and consulates, Leeds Legal has developed relationships with leading business cities across Europe, Asia and the Americas, through their international delegation programme.

Delegation visits to date have included Belgium, Germany, Italy, Spain, China, Hong Kong, Guangzhou, New York and Chicago.

Reciprocal visits to Leeds have also been arranged and groups have already visited the city from Spain, Germany, Italy, India, Pakistan, Australia, USA, Mexico and Canada.

Information about forthcoming delegations

Information on upcoming visits can be found in our news section but there is a calendar of international events throughout 2011 and 2012 involving Spain, Mexico, India, China and Belgium.

If you would like more information about the programme of international delegations, please contact enquiries@leedslegal.co.uk or + 44 (0) 113 220 0747
