

#### SUPPORTING LEEDS LAW SOCIETY

We would like to invite you to become part of our future. Our team will work with you to create a tailored package of benefits to meet your business objectives and deliver a valuable return on your investment, by building long term sustained relationships through Partner and Patron sponsorship as well as discrete opportunities such as our Annual Dinner.

Sponsorship opportunities provide scope to associate your company with one of the oldest law societies in the country and engage clients at all stages of their career, through our events and education programmes. Please contact [Joanna Dixon, Business Development Manager](#) to discuss how best we can work together.
