

Training

Time for training?

The provision of first class training courses has always been central to the services offered by Leeds Law Society and we are delighted to be able to expand our CPD offerings.

Working with local specialists and bringing expertise through our contacts with the SRA, the Law Society and high profile technical experts we are able to offer high quality training and CPD events for the legal community in the Leeds area.

Obtaining all your annual CPD requirements through Leeds Law Society could not be easier. Simply choose your course and then either telephone LLS or print off a booking form. If you are a current LLS member you will receive a 15% discount on all full price seminars. Additionally we have introduced a 10% discount for all delegates who book 2 or more courses.

If you are not a member but would like to take advantage of Leeds Law Society's discounted rates on all our courses please see our membership section.
