OUR NEWSLETTER

Keeping the YU member societies 'in the loop' is vital and a strategy for the YU and associated members for 2024. As we navigate a new year, please see our initiatives and spotlights that may be of use to you, such as our free events advertiser.

Aiming to release every fortnight, its a handy note of what's going on and updates for you and your respective societies. You can provide content, by emailing me

Natalie, president Yorkshire Union of Law Societies

WE OFFER SUPPORT AND REPRESENTATION FOR OUR SOCIETIES AND THEIR MEMBERS WHO ARE SOLICITORS OR TRAINEES ACROSS YORKSHIRE AND HULL

MENTORING

For the last 12 months we have been trialling a mentoring scheme, where former presidents of different law societies in the YU offer mentoring to incoming presidents.

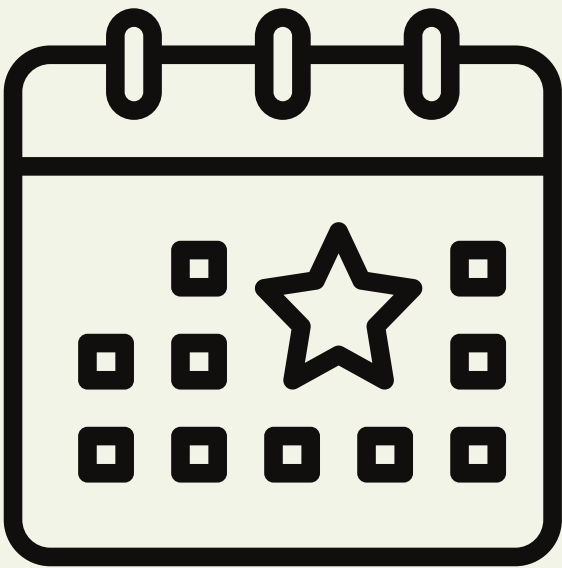

It gives a fresh outlook on the role, provides ideas, reassurance and a listening ear. If you would like to be either a mentor or a mentee, please contact Natalie.

SOMETIMES, THE REASON
EVERYTHING FEELS
too much
IS BECAUSE IT IS.
YOU'RE ONE PERSON.
ONE LOVELY PERSON
WHO CAN ONLY DO
and GIVE SO MUCH.
BE KIND to YOURSELF.

MEMBER SPOTLIGHT

Shanika Varga is President of Leeds Law Society. She is a Partner at Stowe Family Law. Of her Presidency, Shanika says, *'the Presidency has given me the chance to focus on increasing the visibility of diverse role models in the sector. This is not only important for the incoming generation of lawyers but also for the wider society who need to see themselves represented and reflected in our legal system in order to have faith in it and trust decisions being made.'*
